

Anshul Sharma

Pune, Maharashtra • +91 8005658428 • anshulsharma45055@gmail.com • linkedin.com/in/ anshul-sharma-4a59a11a2

Enthusiastic and dedicated third-year BCA student specializing in Applied Data Science at MIT ADT University, Pune, with a strong foundation in web development, programming, and data analysis. Demonstrates proficiency in HTML, CSS, JavaScript, and various other programming languages, complemented by excellent computer skills and critical thinking abilities. With practical experience gained through an internship at Next24tech Technology & Services, and a robust portfolio of online courses, I am well-prepared to tackle complex challenges and deliver innovative solutions. Fluent in English and Hindi, with a proven track record of effective time management and problem-solving skills. Actively engaged in extracurricular activities, including state-level cricket, volunteer work, and leadership roles. Passionate about continuous learning and ready to contribute to dynamic projects in a professional setting
